## Consent Form for Dental Hygienist Only Visit

### **Our Usual Charges for Hygienist Appointments**

A simple scale and polish which is what we provide for most of our regular 3 monthly patients costs just £35.00. The Normal price is £45.00 but it is discounted to £35.00 for patients who come every 3 months.

A spring clean would normally be £45. But the Hygienist/dentist will always give you the exact price before treatment is started. However, if you smoke, drink lots of tea or red wine or eat foods with lots of dyes the charge may be higher.

Likewise if there is a history of destructive periodontal disease the charge may be higher.

Irrespective, the Hygienist will always give you a quote before the treatment begins.

### **Your Acknowledgement**

I acknowledge that the appointment I am having with the Dental Hygienist today is just a simple debridement (removal of debris).

I acknowledge that I have been invited to make an appointment after my visit today to have a full clinical examination when the full extent of any tooth/gum/periodontal disease can be determined. A full examination is £25.00.

I acknowledge that the consequences of not having a full clinical examination have been explained to me including the fact that the extent/seriousness of any dental problems/diseases may not be found without a full clinical examination. Your full clinical examination includes an Oral Cancer Screen.

Because you have declined a full examination and x-rays prior to treatment, then underlying problems such as decay, broken filling damaged or ill fitting crowns etc, may not be obvious. This can mean that when the cleaning is done loose fillings or crowns may come out completely. In this case, additional charges will apply for new restorations and/or recementation.

Similarly, cleaning of surfaces may reveal defects in the tooth structure and this may be associated with subsequent sensitivity and/or the need for further treatment. In these cases subsequent treatment with require additional charges.

I acknowledge that I have been examined by the dentist prior to my simple debridement by the Hygienist and have given a full account of my medical and dental history both verbally and in writing.

### **Our Charges for Hygienist Only Appointments**

**The Normal Visit for a Hygienist Only visit is £45.00**
