Consent Form for Dental Hygienist Only Visit

You are being given this form to fill out either because this is your first visit to our practice or you have not seen a dentist at our practice for a dental examination for more than 12 months.

The normal price for a scale and polish is £45.00.

If you require more than a Spring Clean, because of the extent of any periodontal disease, then the Hygienist/dentist will always give you the exact price before treatment is started.

The increased price may apply, if you smoke, drink lots of tea or red wine or eat foods with lots of dyes the charge may be higher.

Likewise if there is a history of destructive periodontal disease the charge may be higher.

Irrespective, the Hygienist will always give you a quote before the treatment begins and the patient can then decide if they wish to proceed.

Your Acknowledgement

I acknowledge that the appointment I am having with the Dental Hygienist today is just a simple debridement (removal of debris).

I acknowledge that I have been invited to make an appointment after my visit today to have a full clinical examination when the full extent of any tooth/gum/periodontal disease can be determined. A full examination is £25.00.

I acknowledge that the consequences of not having a full clinical examination have been explained to me including the fact that the extent/seriousness of any dental problems/diseases may not be found without a full clinical examination.

Because you have declined a full examination and X-rays prior to treatment, then underlying problems such as decay, broken filling damaged or ill fitting crowns etc, may not be obvious. This can mean that when the cleaning is done loose fillings or crowns may come out completely. In this case, additional charges will apply for new restorations and/or recementation.

Similarly, cleaning of surfaces may reveal defects in the tooth structure and this may be associated with subsequent sensitivity and/or the need for further treatment. In these cases subsequent treatment will require additional charges.

I acknowledge that I have given a full account of my medical and dental history both verbally and in writing.
