Invisalign Go Treatment Charges

We believe in being open and upfront with costs of treatment

1. Consultation for Invisalign Go £65.00. Please see our separate form for the consultation for Invisalign Go.
2. ClinCheck® is £300. Please see our separate form for the ClinCheck® for Invisalign Go.
3. The Invisalign Go Treatment is £2200. Please see our separate form for the Invisalign Go Treatment.
4. Retainers are of 2 types
 - a. Fixed Retainers £150 each arch (£300 for upper and lower)
 - b. Essix Retainers £150 each arch (£300 for upper and lower)
5. Any additional treatments such as tooth reshaping, veneers or tooth whitening are charged separately.

Normally for the actual treatment the breakdown of payments is

1. £300 for ClinCheck® Paid on the day	£300
2. £1000 paid on date of impressions for treatment	£1000
3. £200 at each of the 6 subsequent fitting appointments (monthly)	<u>£1200</u>
	£2500 (Total)

I realise that signing does not mean that I am under an obligation to have any treatment and that I may decide not to proceed with all or any part of the treatment.

Similarly signing this means that I pay for the treatment that I actually have done.

Signing this form is only to acknowledge that you have read this form and you have seen the costs outlined above.
