### Quality Assurance

As part of our Quality Assurance Programme we welcome comments and suggestions from patients. We aim to engage our patients at every stage of their dental care so if you have any concerns regarding any aspect of our service please discuss it with any member of staff concerned as soon as possible.

### Latest News

We have now opened our new practice at the Hub. This is to meet the increasing demand of patients for high quality affordable dental care. We will be open 7 days a week at both practices, with early and late appointments. Our new practice at the Hub is ultra modern with 8 fully equipped surgeries including a dedicated suite for implant and Periodontal Surgery and 2 Hygienist surgeries. This allows us to comply with the very highest international standards.

We have just acquired the very latest in Dental Microscopes. This allows the clinician to see even the smallest cracks and defects. We have also invested in the very latest Dental Lasers. This means PAIN FREE LASER DENTISTRY is now available for our patients. This is part of our continuing commitment to INVEST IN OUR PRACTICE FOR OUR PATIENTS.

### Cross Infection Control Standards.

We have a new Purpose Built & Dedicated Decontamination Facility in each practice. Our CQC inspection stated we were compliant in all the required standards. We use the latest Autoclaves and are "Single Use" wherever possible. All our staff members are trained to the highest standard and are regularly independently audited.

### Accessibility

We have a very positive Accessibility policy and our practice has been designed to increase access and make our practice available to everybody, especially patients with disabilities, and make sure it meets their needs. We have ground floor access, easy parking outside and a Disabled Friendly Toilet.

We have policies, available for patients to read, which relate to disability, ethnic diversity and equality issues and we welcome any feedback from patients.

If you have any disability that you think we need to know about then you can, if you wish, give us a call before your appointment and we will do our best to put suitable arrangements in place for you.

### Specialist and General Dentistry

We offer a full range of Specialist and general Dental Treatments 7 days a week 365 days a year!!

One of the advantages of attending a large multidisciplinary dental practice is that you get easy access to dentists with particular expertise in various types of dental treatments

### Clinical Standards

Our surgeries are new and incorporate the latest ideas for providing the highest standards of care in an ultra clean and safe environment. We passed our recent CQC Inspection with 5/5 green ticks.

All our dentists, dental hygienists/ therapists and dental nurses are committed to Continuous Professional Development.
